

ZACK *and* LINNEA

hello

WE ARE **ZACK** AND **LINNEA**

We're so excited that you're checking out our book. We hope that this gives you a good glimpse into our life and who we are.

about us

IT'S SO NICE TO "MEET" YOU!

HELLO, MY NAME IS ZACK!

I'm the ripe young age of 47 years old. Thank you for taking a few minutes to read more about me. I worked in the golf industry for over 20 years and currently am a small business owner of an irrigation and turf equipment company. I love traveling, German Shorthair Pointers, sports, and old classic cars. I believe coffee is water. I'm always the calm to the storm in a stressful situation. I enjoy watching my son play sports, helping him practice, and teaching him how to fish and golf.

HI THERE, I'M LINNEA!

I'm 40 years young and I love all things floral and the color pink. I have worked in clinical research for the past 17 years. I currently have been working for the same company for almost 8 years and work remotely as a Site Feasibility Liaison. My job allows flexibility to attend meetings, appointments, and school functions. I strongly believe in a good work/family life balance.

I'm fun loving, family oriented, organized, I love Disney and to travel. I've been known to have a jukebox in my head with a song for every occasion. I'm a very random person and often give too long of an answer to questions. I'm a huge fan of German Shorthair Pointers and love our 11 year old Dog Pluto!

In the spring and summer, I enjoy growing flowers (Roses and Zinnia's). I love watching our son play sports and summer afternoons at the pool. Last summer I started kayaking and I hope to get out more in our pond and a local river this summer.

“Do something today that tomorrow you will thank you for.”

THIS IS OUR SON

Nicholas

NICHOLAS IS **VERY EXCITED** TO BE AN OLDER BROTHER!

We have one precious biological son named Nicholas. Nicholas is 6 years old and in kindergarten.

Nicholas loves all sports, poker, cars, swimming, and traveling. Nicholas loves his dog Pluto and really enjoys sharing his snacks with him. Nicholas plays soccer, baseball, and basketball. Soccer is his favorite though! Nicholas loves the beach and Disney World. Nicholas is very smart and loves to learn. He also enjoys family game nights- the horse racing game to be exact. Nicholas also loves mini golf and taking golf cart rides around our property. He really looks forward to playing with a sibling and helping them learn about math, cars, and all of the things he loves.

A LITTLE BIT ABOUT

our family

Linnea's Mom and Stepdad (Karen and Brad) live in Albuquerque, NM but we all visit as often as we can. This year we are all going on an Alaskan cruise together and are planning a Disney trip together in 2025.

Zack's parents live about 2 hours away in Missouri and we see them often- more often during Nicholas's sports games as they try to attend every game! This summer we traveled with Zack's parents on a cruise to Mexico.

WE HAVE A VERY SUPPORTIVE FAMILY THAT ARE SO
EXCITED TO POTENTIALLY WELCOME A NEW LITTLE ONE
AND SUPPORT US ALL IN ANY WAY THEY CAN.

there's no place like
home

We live in a rural town in Southeast Kansas with a population of about 5,500 people. Our home includes 10 acres of property that has a pond on the land. We fish and even kayak in our pond. Right down the road is the county country club where we spend many summer weekends swimming. It's really nice to just be a short golf cart ride away. One of our favorite things about our town is the sense of community and safety. Our dog Pluto loves spending time with us outdoors and sitting in our family room with us by the fire.

thank
you

WE APPRECIATE YOU TAKING THE
TIME TO LOOK AT OUR BOOK!

As a family we love to travel, and go on adventures
together. We look forward to sharing these
adventures with another child!

WITH LOVE,

*Zack, Linnea
and Nicholas*
